Notes:

1. The Ministry of Corporate Affairs ("MCA") has vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by "COVID-19", General Circular Nos. 20/2020 dated May 5, 2020, 10/2022 dated December 28, 2022, 09/2023 dated September 25, 2023 and subsequent circulars issued in this regard, the latest being 09/2024 dated September 19, 2024 in relation to "Clarification on holding of Annual General Meeting ("AGM") through Video Conferencing (VC) or Other Audio Visual Means (OAVM)", (collectively referred to as "MCA Circulars") permitted the holding of the AGM through VC/OAVM, without the physical presence of the Members at a common venue. Further, Securities and Exchange Board of India ('SEBI'), vide its circulars dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023, October 7, 2023 and October 3, 2024 ('SEBI Circulars') and other applicable circulars issued in this regard, has provided relaxations from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') In compliance with the MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC/OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the company. Since this AGM is being held through VC/OAVM pursuant to the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
3. Since the AGM will be held through VC/OAVM, the route map of the venue of the Meeting is not annexed hereto.
4. Explanatory statement under section 102 of the provisions of the Companies Act, 2013 for the special business to be transacted at the AGM and pursuant to regulations 36(5) of securities and exchange board of India (listing obligation and disclosure requirements) Regulations, 2015, relating to the appointment of Secretarial Auditor is annexed to this notice.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on "e-Voting facility provided by Listed Companies", e-Voting process has been enabled to all the individual demat account holders, by way of single login

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 29th June, 2025 at 09:00 A.M. and ends on 01st July, 2025 at 05:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 25th June, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above SEBI Circular, Login method for e-voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

To
The Members
QUEST CAPITAL MARKETS LIMITED
(Formerly known as BNK Capital Markets Limited)
Duncan House, 31, Netaji Subash Road
Kolkata - 700001

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **QUEST CAPITAL MARKETS LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company's Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and Regulations.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and considering the relaxations granted by Ministry of Corporate Affairs and Securities and Exchange Board of India, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025, to the extent applicable, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;

Management Discussion & Analysis Report

Overview

NBFCs have emerged as the crucial source of finance for a large segment of the population, including SMEs and economically unserved and underserved people. They have managed to cater to the diverse needs of the borrowers in the fastest and most efficient manner, considering their vast geographical scope, understanding of the various financial requirements of the people and extremely fast turnaround times. Nonbank money lenders have played an important role in the financial inclusion process by supporting the growth of millions of MSMEs and independently employing people. The sector has grown significantly, with a number of players with heterogeneous business models starting operations. The last few years have seen a transformation in the Indian financial services landscape. The increasing penetration of neo-banking, digital authentication, rise of UPI and mobile phone usage as well as mobile internet has resulted in the modularisation of financial services, particularly credit.

Opportunities and Threats

NBFCs are uniquely placed in the Indian financing setup unlike the banks which focus on funding largescale infrastructure projects. Given this flexibility on the ticket size as well as risk profiles, there is no shortage of avenues. For instance, financing climate and transition funding across MSMEs and startups, or segments such as EVs or niche products for clean tech equipment manufacturing. This offers NBFCs a compelling advantage to invest in green product development to cater to nuanced loan structures and financing for the sustainable shift. India's growing middle class, consumption demand, and increased penetration of formal credit channels drive opportunities. NBFCs are better suited to cater to niche areas like vehicle financing, gold loans, housing finance for low-income groups, consumer durables, and education loans which offers tremendous opportunities of growth given the rising income level of middle class.

The RBI's implementation of LCR has compelled NBFCs to maintain high-quality liquid assets. This ensures short-term liquidity resilience but demands a reassessment of liquidity management strategies. The regulatory directive will increase in risk weights for consumer lending to 125 per cent from 100 per cent. This, in turn, will impact the NBFCs with higher share of such loans in their portfolio.

Cyber security is one of the significant threats firms are currently facing and it consistently ranks among the top risks globally. According to some estimates, the Indian financial services sector witnessed approximately 1.3 million¹ cyberattacks last year, which proves that cyber threats outpace technology advancements.

The generation, collection, processing and storage of vast amounts of data raises several concerns on the privacy front. Accordingly, regulators globally have recognised the need to maintain accountability when collecting and processing personal data of customers. This will require NBFCs to build controls around personal data processing activities to avoid penalties and disruptions. It is imperative to integrate privacy/preserving controls/practices in the operating strategy for NBFCs.

Outlook

NBFCs have adapted their product offering to meet the specific characteristics of a customer group and are focused on meeting appropriate needs by carefully analysing this target segment and customising pricing models. NBFCs are now reaching out to Tier 2, Tier 3 and Tier 4 markets, distributing the loan across several customer touchpoints. In addition, they are building a connected channel experience that provides an omnichannel, seamless experience of sales and service 24 hours a day, seven days a week,. The advent of GenAI and LLMs will revolutionise NBFC operations with adoption for sourcing, servicing, collections etc RBIs push for digital credit enablement through its frictionless platform and the advent and adoption of ONDC and Open Credit Enablement Network (OCEN) are also expected to improve credit penetration.

NBFCs in India face a challenging yet transformative landscape. By exploring alternative funding sources and aligning strategies with regulatory measures, these financial entities can secure their future growth and resilience.

Business Segment Analysis

During the period under review, the Company's activities was majorly restricted to Capital Market, NBFC and related fields which specifically involve in trading and dealing in Securities and Mutual Funds.

Share Transfer System

Stakeholders' Relationship Committee has been constituted to approve the transmission of shares, issue of duplicate share certificates and allied matters. The shareholders are free to hold the Company's shares either in physical form or in dematerialized form. However, with effect from April 01, 2019, the shareholders are not allowed to transfer any shares in the physical form and hence, the dematerialisation of the shares is mandatory for transfer of shares. Thus, the Company encourages the holding of shares in dematerialized form. The shares held in dematerialized form can be transferred through the depositories without the Company's involvement. Pursuant to Regulation 40 (9) of the SEBI Listing Regulations, the Company obtains certificates from a Company Secretary in Practice on a half-yearly basis to the effect that all the transmission/ split / consolidation/ transposition requests are completed within the statutory stipulated period. A copy of the said certificate is submitted to BSE Limited, the only Stock Exchange where the shares of the Company is listed.

Independent Auditors' Report

To the Members of

Quest Capital Markets Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Quest Capital Markets Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of the material accounting policy information and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its profit (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Hence, we have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of the financial statements that give a true and fair view of the financial position, financial performance including total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally

Independent Auditors' Report

accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditors' Report

 - (b) The management has represented that, to the best of its knowledge and belief, and as disclosed in Note 47 to the financial statements, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on our audit procedure that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) or (b) contain any material misstatement.

Independent Auditors' Report

- v. According to the information and explanations given to us, the final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable.

As stated in note 42 of the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year ended 31st March, 2025 for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Accordingly, clause 3(viii) of the Order is not applicable.
- (ix) According to the information and explanation given to us, during the course of our audit, the company has not taken any loans or borrowings from any lender. Accordingly, clause 3(ix) of the Order is not applicable.
- (x) a. According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the order is not applicable.
- b. According to the information and explanations given to us and based on our examination of the books and records, we report that the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the order is not applicable.
- (xi) a. According to the information and explanations given to us and on the basis of our examination of the records of the Company and in accordance with generally accepted auditing practices in India, no material case of fraud by the Company or on the Company has been noticed or reported during the period.
- b. According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act 2013 has been filed during the period by the Auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c. According to the information and explanation given to us no whistle blower complaint has been received during the year by the company.
- (xii) According to the information and explanations given to us, the company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the books and records, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.
- (xiv) a. According to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- b. The reports of the Internal Auditors for the year under audit were considered by us in determining the nature, timing and extent of our audit procedures.
- (xv) The Company has not entered into any non-cash transactions specified under section 192 of the Act with directors or persons connected with directors during the period. Accordingly, Clause 3(xv) of the Order is not applicable.
- (xvi) a. According to the information and explanations given to us, the Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and has obtained Certificate of Registration (CoR) from Reserve Bank of India and the Certificate No. is B.05.02574 dated 9th December, 2004 (being original date of registration).

Annexure – “A”

to the Independent Auditor's Report

- b. The Company has not conducted any non-banking financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. The Company has not conducted any housing finance activities during the year and is not required to obtain Certificate of Registration (CoR) for such activities from the RBI

- (xviii) There has been resignation of the statutory auditors during the year and no issues, objections or concerns were raised by the outgoing auditors.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of Financial assets and payment of Financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) a. In our opinion and according to the information and explanation given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing project. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- b. In respect of ongoing projects, the Company has transferred the unspent amount to a Special Account within a period of 30 days from the end of the financial year in compliance with Section 135(6) of the Act.

Annexure – “B” to the Independent Auditor’s Report

(Referred to in paragraph-2(f) under ‘Report on Other Legal and Regulatory Requirements’ of our Report of even date to the members of Quest Capital Markets Limited on the Financial Statements for the year ended 31st March, 2025)

Report on the Internal Financial Controls with reference to the aforesaid Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of Quest Capital Markets Limited (“the Company”) as of 31st March, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended 31st March, 2025.

Management’s and Board of Directors’ Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure – “B”

to the Independent Auditor's Report

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has maintained, in all material respects, adequate and effective internal financial controls with reference to the Financial Statements for the year ended 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

for the year ended 31st March, 2025

1 Corporate information

Quest Capital Markets Limited CIN:L34202WB1986PLC040542 is a public limited Company domiciled in India and incorporated under the Companies Act, 1956. The registered office of the company is located at Duncan House, 31 Netaji Subhas Road, Kolkata 700001. Quest Capital Markets Limited is registered under the Reserve Bank of India Act, 1934 as a Non-Banking Financial Company and is primarily engaged in investment activities. Its shares are listed on the BSE Limited.

The Standalone Financial Statements for the year ended 31st March, 2025 have been approved by the Board of Directors of the Company in their meeting held on 15th May, 2025.

1.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and rules issued thereafter.

1.2 Basis of Preparation of Financial Statements

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs, except for information pertaining to EPS and number of shares.

1.3 Use of estimates & judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant and equipment, useful lives of property, plant and equipment, provisions and contingent liabilities and long term retirement benefits.

2 Material Accounting Policy Information

2.1 Revenue /Income recognition

- (a) **Dividend income** (including from FVOCI investments) is recognised when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the Shareholders or Board of Directors approve the dividend.
- (b) **Interest Income:** Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

- (c) **Income from Sale of shares and Securities:** The Company recognises purchase and sale of securities at transaction price. Closing Inventory is fair valued and net changes is recognised in statement of profit and loss.

Notes to Financial Statements

for the year ended 31st March, 2025

- (d) **Net Gain/(Loss) on Fair value Changes:** The Company recognises net gain/(loss) measured at fair value measured at fair value through profit or loss in the Statement of profit or loss.
- (e) **Other Income:** The Company recognises other income on accrual basis when it becomes due.
- (f) (i) **Revenue from contracts with customers:** Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade and other discounts, rebates and amounts collected on behalf of third parties.

Where the Company is the principal in the transaction, the sales are recorded at their gross values. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any). Any amounts received for which the Company does not provide any distinct goods or services are considered as a reduction of purchase cost. However, Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company regardless of when the payment is being made and specific criteria have been met for each of the Company's activities as described below.

- (ii) **Sale of services:** Revenue from rendering of services is recognised when the outcome of a transaction can be estimated reliably and when the Company satisfies its performance obligation.

2.2 Property, Plant and Equipment and Intangible Assets

- (a) Property, plant and equipment and intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation. Cost includes all expenses incidental to the acquisition of the Property, plant and equipment and intangible assets and any attributable cost of bringing the asset to its working condition for its intended use.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised.

- (b) **Capital work in progress and Capital advances**

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed in Non-Financial Assets.

- (c) **Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated using the written down value method to allocate their cost, net of their residual values on the basis of useful life prescribed in Schedule II to the Companies Act, 2013.

Property, plant and equipment's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

2.3 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to Financial Statements

for the year ended 31st March, 2025

Financial assets

Recognition and initial measurement

All financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at FVTPL) are added to the fair value of the financial assets on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets at FVTPL are recognised immediately in profit or loss.

Classification and Subsequent measurement

The Company classifies its financial assets in the following measurement categories:

- a) those to be measured subsequently at fair value either through other comprehensive income (FVOCI), or through profit or loss (FVTPL),
- b) those measured at amortised cost, and
- c) Equity Instruments measured at fair value through Other Comprehensive Income (FVOCI)

The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

Financial assets carried at amortised cost (AC):

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For investments in debt instruments, this depends on the business model in which the investment is held. The Company reclassifies the debt investments when and only when the business model for managing those assets changes.

Such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For investments in equity instruments, this depends on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. Investment in Invit funds are measured through FVTOCI

Financial Assets included within the FVTOCI category are subsequently measured at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L.

Financial assets at fair value through profit or loss (FVTPL)

Financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as at FVTPL. Financial assets at FVTPL are subsequently measured at fair value at the end of each reporting period. Any gains or losses arising on re-measurement are recognised in profit and loss statement.

Equity instruments

All investments in equity instruments (other than Investment in subsidiary and associate) are initially measured at fair value. The Company may, on initial recognition, elect to measure the same either at FVTOCI or FVTPL. Any change in Fair value on

Notes to Financial Statements

for the year ended 31st March, 2025

an equity instrument measured at FVTOCI are recognized in Other comprehensive income. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. When the investment is disposed of, the cumulative gain or loss previously accumulated in FVTOCI is transferred from FVTOCI to Retained Earnings.

Investment in subsidiary and associate

Investment in subsidiary and associate are carried at cost less impairment cost, if any.

Investments in mutual and venture capital fund

Investments in mutual and venture capital funds are measured at fair value through profit or loss

De-recognition of financial assets

Financial assets are derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or the rights have expired or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

On de-recognition of a financial asset in its entirety, the difference between:

- the carrying amount (measured at the date of de-recognition) and
- the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on the following financial assets

- i) Financial assets at amortised cost,
- ii) Financial assets measured at fair value through Other Comprehensive income

The company follows the 'simplified approach' for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Historical loss experience used to determine the impairment loss allowance on the portfolio of trade receivables. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analysed. For recognition of impairment loss on financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Financial Liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other Financial Liabilities

Financial liabilities represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entity's own equity instruments.

Notes to Financial Statements

for the year ended 31st March, 2025

Initial Recognition and Measurement:

All financial liabilities are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial liability except for financial liabilities classified as fair value through profit or loss.

Classification

The Company classifies all financial liabilities at amortised cost or fair value through profit or loss.

Subsequent measurement

Financial liabilities measured at amortised cost

Financial liability are subsequently measured at amortized cost using the EIR method. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

Financial liabilities at fair value through profit or loss

A financial liability is classified as at FVTPL if it is classified as held for trading or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Derecognition of Financial liabilities

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Reclassification of Financial assets

The company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets.

2.4 Measurement of fair values

The Company has established policies and procedures with respect to the measurement of fair values. All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level I: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level II: techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

All method of assessing fair value result in general approximation of fair value and such value may not be realised.

2.5 Foreign currency transactions and translation

The financial statements of the Company are presented in Indian rupees (Rs.), which is the functional currency of the Company and the presentation currency for the financial statements.

Notes to Financial Statements

for the year ended 31st March, 2025

In preparing the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Exchange differences arising on the retranslation or settlement of monetary items are included in the statement of profit and loss for the period.

2.6 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, as they are considered an integral part of the Company's cash management.

2.7 Inventories

The Company makes trading in Equity Shares/Securities of companies listed over stock exchanges in India. Inventories of Equity Shares and securities are valued at fair value and the gain/ loss is recognised through the Statement of Profit and Loss.

2.8 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transactions cost) and the redemption amount is recognized in the statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that sum or all of the facility will be drawn down. In this case, the fees is deferred until the drawn down occurs. To the extent there is no evidence that it is probable that sum or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in Statement of Profit and Loss as other gains/(losses).

2.9 Provision, Contingent Liabilities and Contingent Assets, legal or constructive

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

Notes to Financial Statements

for the year ended 31st March, 2025

2.10 Employee Benefits

(a) Short-term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

(b) Post-employment Benefit Plans

Post retirement benefits like provident fund, superannuation, gratuity, leave and post retirement medical benefits are provided for as below :

(i) Defined Contribution Plans

Contributions under Defined Contribution Plans i.e. provident fund & superannuation fund are recognised in the Statement of Profit and Loss in the period in which the employee has rendered the service.

(ii) Defined Benefit Plans

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each year end balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income or in profit and loss account. The service cost and net interest on the net defined benefit liability/(asset) is recognised as an expense.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation as reduced by the fair value of plan assets.

2.11 Impairment of non-financial assets

The carrying amounts of the Company's property, plant and equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognised immediately in profit or loss.

2.12 Segment Reporting

(a) Identification of segment

The Company has identified that its operating segments are the primary segments. The Company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit and offering different products and serving different markets.

(b) Allocation of common costs

Common allocable costs are inter-se allocated to segments based on the basis most relevant to the nature of the cost concerned. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, are included under the head unallocated expense / income.

Notes to Financial Statements

for the year ended 31st March, 2025

2.13 Income Tax

Income tax expense comprises both current and deferred tax. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Current income-tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws, enacted or substantially enacted as at the balance sheet date.

Taxable profit differs from net profit as reported in the Standalone statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Deferred income tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements and is accounted for using the balance sheet liability method.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using tax rates and laws, enacted or substantially enacted as of the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as an income or expense in the period that includes the enactment or substantive enactment date.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and they are in the same taxable entity, or a Group of taxable entities where the tax losses of one entity are used to offset the taxable profits of another and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Deferred tax asset arising from single transaction shall be recognised to the extent it is probable that taxable profit will be available against which the deductible temporary difference can be utilised and a deferred tax for all the deductible and taxable temporary differences associates with:

- (i) right-of-use assets and lease liabilities and
- (ii) decommissioning restoration and similar liabilities and the corresponding amounts recognised as part of cost of related assets.

2.14 Leases

Ind AS 116 defines a lease term as the non -cancellable period for which the lessee has the right to use an underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Company considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term is included in the lease term, if it is reasonably certain that the lessee would exercise the option. The Company reassesses the option when significant events or changes in circumstances occur that are within the control of the lessee. The Company has also taken exemption for leases which are of short term period.

Notes to Financial Statements

for the year ended 31st March, 2025

2.15 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares

2.16 Standards issued but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.17 Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Act, unless otherwise stated.

Note 31 : Employee Benefits

The disclosures required under Indian Accounting Standard 19 on "Employee Benefits" are given below:

a) Defined Contribution Plan:

The contribution made to various statutory funds is recognised as expense and included in Note 25 "Employee benefits expenses" under 'Contribution to provident and other funds' in Statement of Profit and Loss.

b) Defined Benefit Plans

The employees' gratuity scheme is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Based on actuarial valuation report of the actuary, disclosures with respect to leave encashment and gratuity liability ascertained based on actuarial valuation carried out at the end of the year are as follows:

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit.

(b) Measurement of fair values

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Level I: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level II: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) Financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- (iii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The Investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost/net asset value has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost/net asset value represents the best estimate of fair values within that range.
- (iv) The fair value of the financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.
- (v) There have been no transfers between Level I, Level II and Level III for the years ended 31st March, 2025 and 31st March, 2024.
- (vi) Reconciliation of Level I, Level II and Level III fair value measurement is as below:

Note 33 : (c) FINANCIAL RISK MANAGEMENT

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by

Notes to Financial Statements

for the year ended 31st March, 2025

(Amount in ₹ lakhs)

appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

CREDIT RISK

Credit risk is the risk of financial loss to the company if a counter-party fails to meet its contractual obligations.

Trade receivables

Credit risk with respect to trade receivables is limited, since the trade receivables amount is nil.

Cash and cash equivalents

The company holds cash and cash equivalents of Rs. 13.04 Lakhs at 31st March 2025 (31st March 2024: Rs. 39.42 Lakhs). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

MARKET RISK

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as equity price, interest rates etc.) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. The Company is exposed to market risk primarily related to the market value of its investments.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Exposure to interest rate risk :

Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, any change in interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company doesn't have exposure to the risk of changes in foreign exchange rates and hence is not subjected to such risk.

Price Risk

(a) Exposure

The Company is exposed to equity price risk arising from equity shares held by the Company and classified in the balance sheet either as fair value through OCI or fair value through profit or loss.

To manage its price risk arising from investment in equity securities, the Company diversifies its portfolio.

The majority of the Company's equity investments are listed on the BSE or the National Stock Exchange (NSE) in India.

(b) Sensitivity analysis - Equity price risk

The table below summarises the impact of increase/decrease of the market price of the listed instruments on the Company's equity and profit for the period. The analysis is based on the assumption that market price had increased by 2% or decreased by 2%.

LIQUIDITY RISK

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non derivative financial liabilities.
